

Summit VII

February 28-29, 2016

Summit VII

Educator Evaluation Systems: Lessons Learned

Summit Outcomes

- Learn to purposefully analyze evaluation system data to support professional learning and staff decisions
- Share best practices of using the evaluation systems effectively in districts
- Explore the use of student achievement data in educator evaluation systems and programmatic discussions

Invited Experts:

Dr. Adam Saenz author of *The Power of a Teacher*

Kim Bearden co-founder of The Ron Clark Academy

Summit VII Educator Evaluation Systems: Lessons Learned will take place at the **We-Ko-Pa Conference Center** (formerly Fort McDowell) in Scottsdale. The focus will be on using data and information effectively to make informed professional learning and staff decisions. We will discuss updates from the State Board's Evaluation Framework Task Force, examine data literacy initiatives and explore ways to support staff and programs within existing budgets.

Registration is from 10:30am to 11:45am. Conference begins at 11:45am with a Welcome Lunch.

Conference Registration Cost \$295. [Click here to Register](#)

To register more than one person use [Bulk Register Form1](#) and [Billing Information Form2](#). Then email to Shawn.Hawk@azed.gov.
